Brian Scott promoted to Vice-President, Waterworks

BURLINGTON, ONT. – Today, Wolseley Canada Inc. (Wolseley) announced the promotion of Brian Scott to the position of Vice-President, Waterworks. Scott joined the Waterworks division over three years ago, first as National Operations Manager, was promoted to General Manager for Ontario and for the past year was the General Manager for both Ontario and Atlantic Canada.

In his new role, Scott will now be responsible for the profitable operation of the Waterworks division. He will provide leadership in the planning and implementation of business goals, continue to build strong relationships within the industry and focus on delivering exceptional customer value. Scott will report to Kevin Fancey, President, Wolseley Canada.

“Brian has proven himself as a strategic leader and has continually raised the bar over the past three years,” said Fancey. “He has a very strong understanding of this industry, which is a highly specialized one. Our Senior Leadership Team is confident in his expertise to further grow and develop our capabilities and reputation as an industry leader.”

Scott has over 19 years of experience in the industry. Prior to joining Wolseley, he was with EMCO Corporation where he held roles including National Pricing Manager, Regional Waterworks Operations Manager and Director of Procurement. He has his Chartered Accountant designation and holds a Bachelor of Business Administration degree from Wilfred Laurier University.

Scott works out of Wolseley Canada’s head office at 880 Laurentian Dr. in Burlington, Ont.
