Wolseley Canada announces Jacqueline Janes as Director, Atlantic Region

Burlington, Ont. – Wolseley Canada is pleased to announce the appointment of Jacqueline Janes as Director, Atlantic Canada, effective February 10, 2025.

Since joining Wolseley Canada in 2020 as a Sales Manager, Janes has been committed to building and maintaining important relationships and reinforcing Wolseley as the wholesaler of choice in Atlantic Canada. She has also been successful at building a high performing team with a strong reputation within the region.

“Jacqueline has been a valued member of Wolseley Canada and is an important part of the success we’ve seen in Atlantic Canada,” says Wally Quigg, President, Wolseley Canada. “I am looking forward to working with Jacqueline as we continue to grow our market share in the Atlantic region.”

In her new role, Janes will be responsible for driving growth in the Atlantic region through the sales and branch teams.

“I’m thrilled to take on this new opportunity,” says Janes. “We have an extremely talented team who will help deliver exceptional value and service to our customers, and grow our business in the Atlantic region.”

About Wolseley Canada:

Wolseley Canada is a market leader in the wholesale distribution of plumbing, heating, ventilation, air conditioning, refrigeration, waterworks, fire protection, pipes, valves and fittings and industrial products. With its head office in Burlington, Ontario, the company has approximately 2,500 employees and more than 220 locations coast to coast. Wolseley's team of sales and service specialists, an industry-leading e-business platform, Wolseley Express, and relationships with the best vendors and brands in the business, make Wolseley the professional's choice across the country.

Wolseley Canada's parent company, Ferguson (NYSE: FERG; LSE: FERG), is the largest value-added distributor serving the specialized professional in our \$340B residential and non-residential North American construction market. The company helps make our customers' complex projects simple, successful and sustainable by providing expertise and a wide range of products and services from plumbing, HVAC, appliances, and lighting to PVF, water and wastewater solutions, and more. Headquartered in

Newport News, Va., Ferguson has sales of \$29.6 billion (FY'24) and approximately 35,000 associates in nearly 1,800 locations.
